

CANNERY PIER HOTEL & SPA

March 23, 2020

Dear Loyal Friends,

The Cannery Pier Hotel & Spa will be closing temporarily, out of concern for employees, guests, the community and all stakeholders. This is an important step to help prevent the spread of COVID-19. This step puts us in compliance with Clatsop County and the direction for hotels, motels and all lodging in the county to close effective today at noon.

COVID-19 has created an unimaginable situation. We hope you are safe and practicing the CDC recommended steps to stay that way. As a proud member of the world-wide travel industry, we are all attempting to the right thing while navigating the complex and rapidly evolving situation. It is the hope and expectations for the hotel to re-open as soon as it is safe and possible. Then we can once again provide an exceptional experience for all of our friends.

Please call the hotel if you have questions at 503-325-4996 or email at reservations@cannerypierhotel.com.

Sincerely,
The Cannery Pier Hotel & Spa Team
