

Welcome to The Spa at the Cannery Pier Hotel.

The Spa Arrival Guidelines:

- Spa staff will be wearing masks and greeting guests entering The Spa, at the door.
- Temperatures will be checked before entering The Spa as well as a COVID client questionnaire will be asked.
- Robes will not be offered at The Spa, please wear or bring robe from your room.
- Clients will be asked to sanitize hands before entering The Spa.
- Masks are always required while in The Spa, they may be removed ONLY when face down in a massage, or after the esthetician completes the consultation.
- Aveda tea and water will be provided at a self-serve station and will be poured by a spa staff.
- Spa staff will sanitize the front desk area including doors and chairs, hallways, and supplies after each client on a frequent rotation.
- Spa staff will sanitize the whirlpool area and the exercise area every hour.
- The shower and lockers will not be used at this time, guests will be asked to wear the robes from their rooms down and shower in their hotel rooms.

Thank you for helping The Spa to keep everyone safe.
